

Although Southwick is not allowing spectators at home events this season, and none of the PVIAC schools are allowing visiting spectators, either, Livestreaming is available for all home events in James E Vincent Gymnasium at SRS, Amelia Park Ice Arena in Westfield, and many other venues throughout western Mass.

Subscriptions are required.

For basketball and any other events occurring at James Vincent Gymnasium, you can [subscribe here](#). Please note that the subscription for this service is PER DEVICE, not per user. This subscription can also be used for away games taking place at other venues that have NFHS Livestreaming available.

For Ice Hockey, you can subscribe to [Live Barn](#). After subscribing, simply search for the name of the city or rink (Westfield, Amelia Park for SRS home games). Most hockey rinks have Live Barn available, so with this subscription, you should be able to watch MOST away games, as well as all home games.

Thank You. Enjoy the Games!
